

ILN Supplier Access Code and Supplier View Instructions

Step by Step

GSM Q&R Global Supply Management Quality & Reliability

REMEMBER: Before You Start

At a minimum, ensure your system has:

- Internet Explorer 8.0 (or higher) or Firefox
 - Chrome and Safari are NOT supported browsers
- Latest version of Flash installed

Login ID/Password:

- You must be a <u>registered Intel Supplier</u> to access the Supplier Training page and ILN.
 - Confirm login and password are valid.
 - If changes are needed, visit the Intel Profile Center to reset
 - If further assistance is needed, visit the <u>Support</u> page or contact the <u>Customer Support Center</u>

3 Click the Preferences icon to add an access code, which will allow you to view all Supplier related training offered.

inte

1 You should change your **Change View** to display Supplier Training. This may be done by accessing the drop down list and clicking the **Go** button. In order to refresh your profile and set the view, you will need to Logout.

2 Exit ILN by clicking the Logout link in the upper right corner. When you return to the login screen, sign back into ILN and select Supplier Training view.
